LOCALS COULD NOT HIT PILL

New Line-Up Lacked Pep of Old One. Two Runs Were Presented to Virginians, and Bill Morrisette Was Knocked From Box.

Durham made it three straight from Jack Dunn's International team here to-day, driving Bill Morrissette from the box before the game had really begun, and winning a 5 to 3 decision with apparent ease. Jarman went to Morrissette's relief, and he, too, was hit freely. Poor base running, on the part of the locals, kept their score small. part of the locals, kept their score small.

The visitors were unable to hit, and this spelled defeat for them. They had many chances when a blow would have scored runners, but weak pop flies or strikeouts prevented the man on third from scoring.

Cluster Springs Academy Will Play Three Games Abroad.

Three Games Abroad.

CLUSTER SPRINGS, VA. April 17.—
Cluster Springs Academy baseball team, in charge of Coach Irwin Graham, leaves here on Monday morning on a three-day trip, playing Chatham Training School in Chatham on Monday, Randolph-Macon Academy in Bedford on Tuesday and Roanoke High School in Roanoke on Wednesday.

Ceach Graham has been putting his lads through some pretty gruelling work the past several weeks, and has a likely looking bunch of youngsters on his string. Having won the first three games on the schedue within the past week, he is confident that his charges will give a good account of themselves on this trip.

Those who will make the trip are: Redd, Newton, Chapman, Gilmer Thompson, George Thompson, Hopk'ns, Green, Dance, Clay, Canada and Field.

## TWO GAMES THIS WEEK IN PREP SCHOOL LEAGUE

Since McGuire's Hit Its Stride, the Race Promises to Be More Interesting.

TEAMS ARE EVENLY MATCHED

John Marshall Has Won Eleven

Tuesday and John Marshall School will not have a league engage-

School will not have a league engagement until next week.

The race for the prep school title promises to be rather exciting and thrilling, now that McGuire's has hit its stride, and provided John Marshall doesn't take such a liking to the cup that it runs away with it. The most surprising event of the week was the sudden reform of the McGuire's nine, after having been overwhelmingly defeated by Benedictine and trounced by High School. Academy was expected to make a better showning against McGuire's than they evinced last Friday.

The four teams seem to be more evenly matched this year than heretofore, although John Marshall has a clean record.

aggregation of lively ball tossers for Manager Betts at High School, and promises to make a record. It is hard to find a better shortstop than "Stump" Sales, who has been starring in every game. John Marshall also has a strong array of pitchers in Woodward, Jolliff, Massey, "Venus" Fuller and "Jim" Sloan. "Punk" Pendleton, Wharton, Captain Tinsley and Sales have been starring at the bat.

Benedictine in Strong Aggregation

Sionn. "Punk" Pendleton, Wharton, Captain Tinsley and Sales have been starring at the bat.

Benedictine is Strong Aggregation.

It is difficult to perceive wh; Benedictine has not been doing better work with the aggregation that it has. The trouble seems to be a lack of team work. Asher at first; Pollard at short and Hierholzer in center have starred heretofore at their positions. Overman is a very promising twirlor. Coach Bigbie is apt to develop his team and perform some strong work before the season closes.

McGuires has a bunch of hitters in Johnston, Parrish and Marye who will probably keep their team in the race. Whitmore and Newell are performing sensational fielding, which helps along when a team is in the pinches.

Richmond Academy has a strong team, and although they are bringing up the rear, will probably get in the running in their next game.

The Academy's chief weakness is at the bat. The fielders have not hit their pace either, but this weakness is made up in the pitching staff by Binford and Captain Brown. The victor might have been different in their last game if "Monk" had pitched, but circumstances made it otherwise.

All the teams seem to be weak in the catching department, as the baserunners steal the bases whenever the "spirit" moves them. Either a wild throw or a muffed ball by the windpad wearer prevents the baserunner from being retired.

The games scheduled for this week are:

Benedictine against Academy, Tues-

Benedictine against Academy, Tuesday afternoon, Broad Street Park.
John Marshall against Academy, Friday afternoon, Byrd Park.
